ACADEMICS

ADMINISTRATION

Responsibility Is The Key Word!

"The buck stops here" is an old cliché that may be over used, but it projects vividly the responsibility of those who act in an administrative capacity for Unified School District 467.

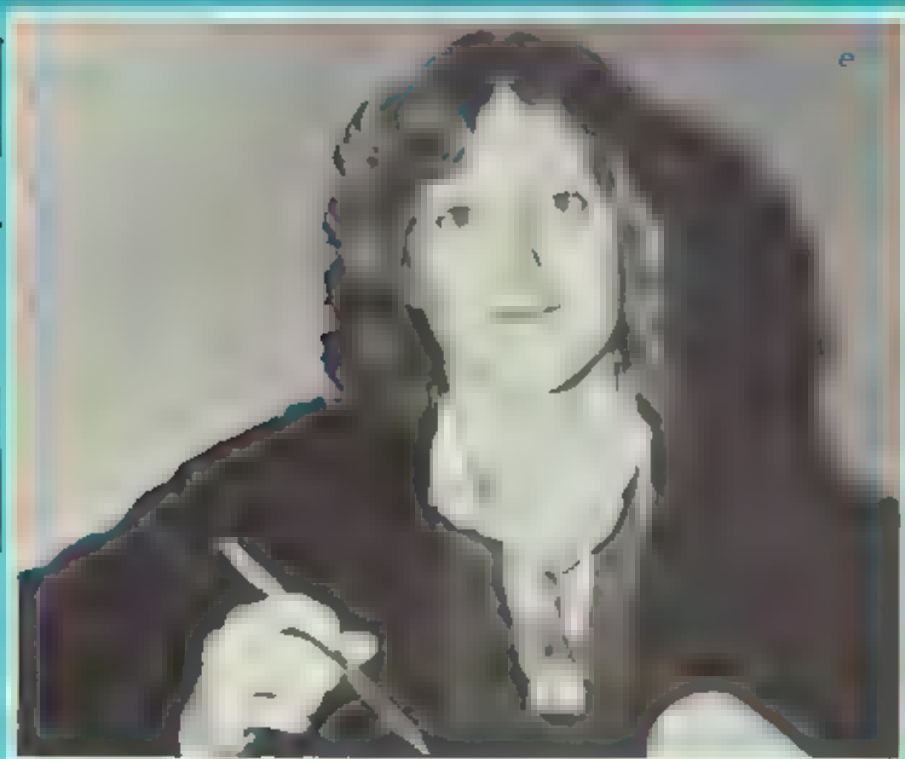

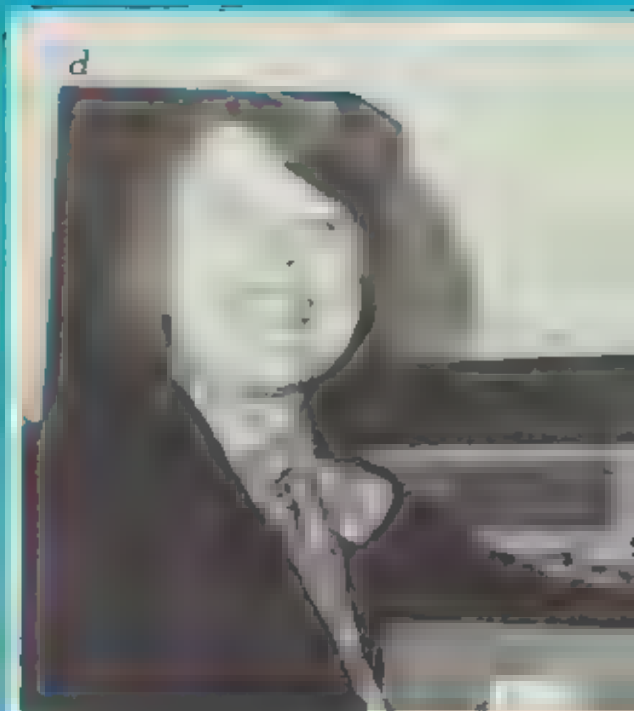

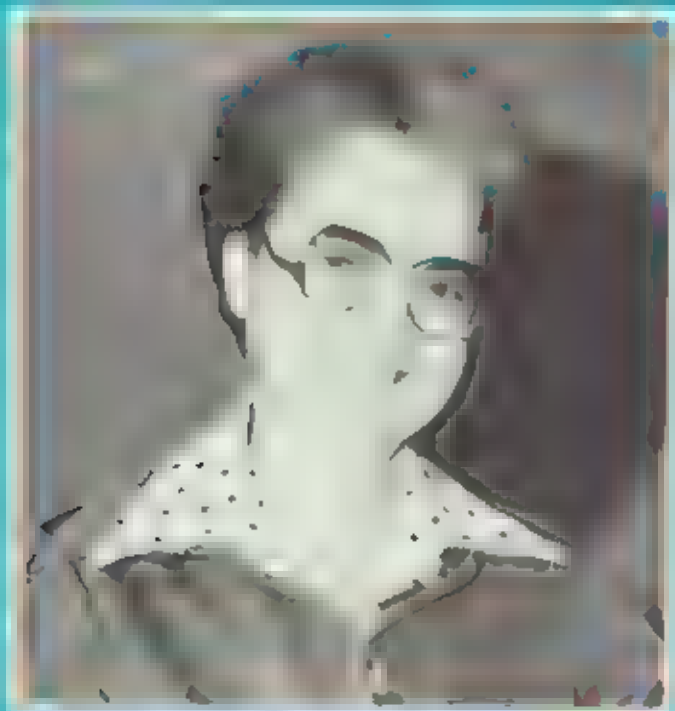

A definite chain of responsibility exists. The principal of each school in the district is faced with numerous problems including, for example, attendance policies, usage of facilities, personnel supervision, curriculum development, etc. If a problem becomes too large for the principal or if it needs the authorization of a higher authority, the superintendent of schools makes a decision, normally based upon the approval of the members of the board of education. They are the elected representatives of the patrons of the district. In their unique positions they receive little thanks, and often much abuse.

Student Council

STUCO Has Major Money Maker

In their picture, the Student Council at Wichita County High School is grouped around their one major money making project.

The funds from the pop machine go to pay for the decorations, flowers, and music for the Autumn Sports Crowning and the Winter Sports Crowning, events for which the STUCO is responsible.

The pop project is not entirely profit. The machine has to be fed each day, cleaned when it gets sticky, and defunded regularly.

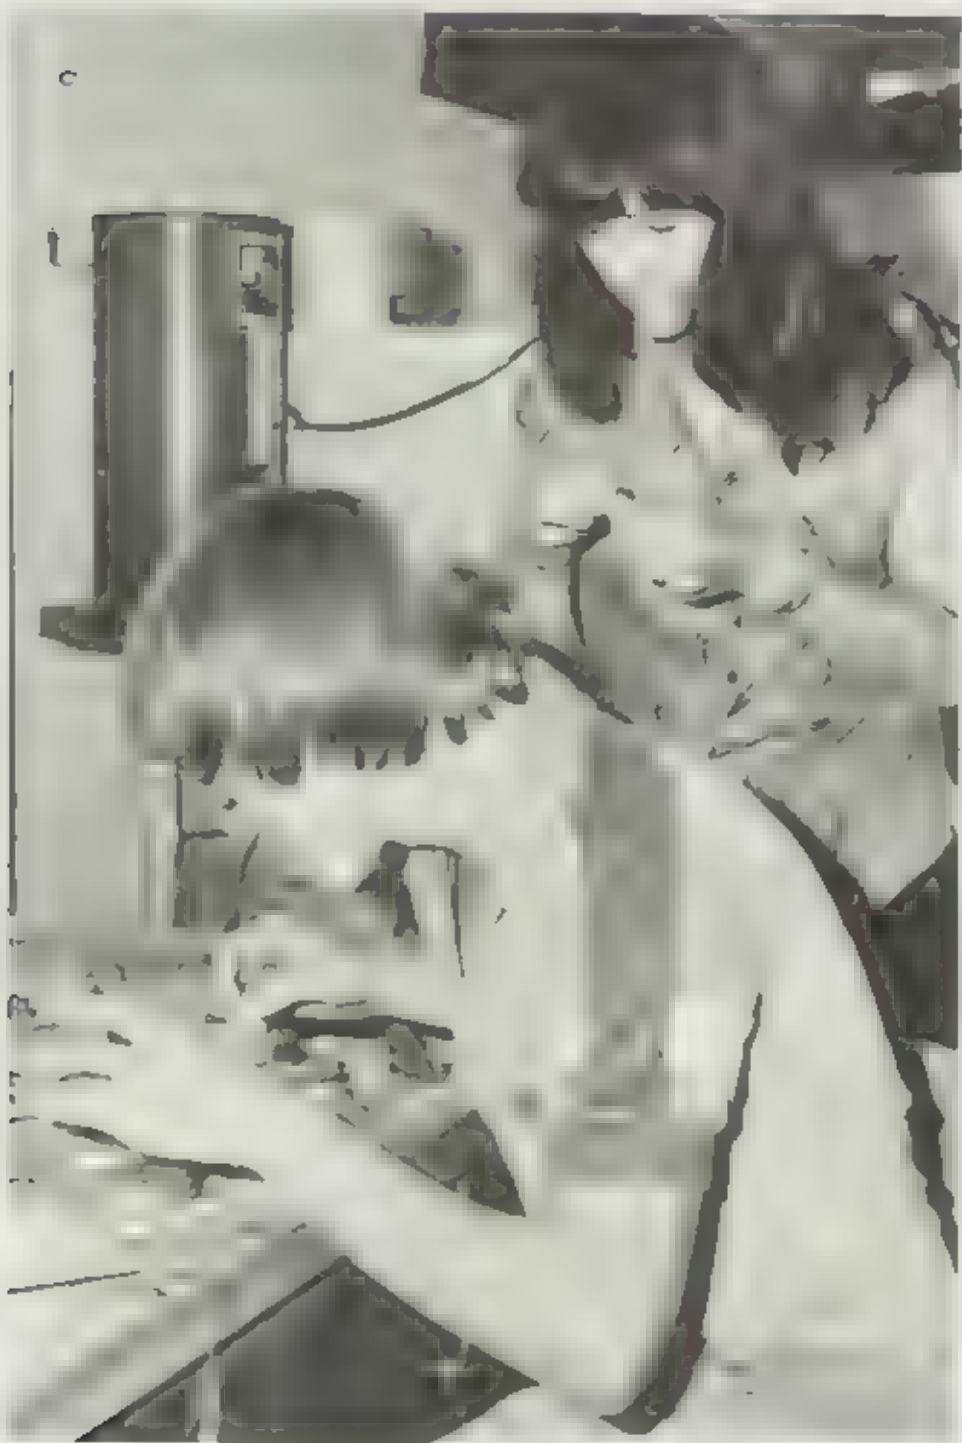

Besides the pop project, the STUCO functions as an administrative aide. It elects officers, and class representatives on a yearly basis to fill this capacity.

Fine Arts

Creativity Is The Goal of the Arts

Three teachers were involved in teaching the fine arts at Wichita County High School this year. One was Miss Denise Cenovese who taught art. She gave the students a chance to express their individuality and creativity through painting, sculpturing, and making jewelry.

Mr. Tim Brandt and Mr. Duane Houghtaling were in charge of the instrumental and vocal music departments respectively. During the year, the band under the direction of Mr. Tim Brandt took part in music festivals, presented half time performances at basketball and football games, and took part in various programs.

The vocal music department under the direction of Mr. Duane Houghtaling took part in several music festivals and in different programs. The biggest endeavor of the vocal music department was the high school musical OKLAHOMA.

The Chieftain Bulletin

Paper speaks out

The **CHIEFTAIN BULLETIN**, a student publication of news and views at WCHS, went to press once a week this year. The purpose of the **CHIEFTAIN** is to make known the events that will happen in the future and to record those events as they happen.

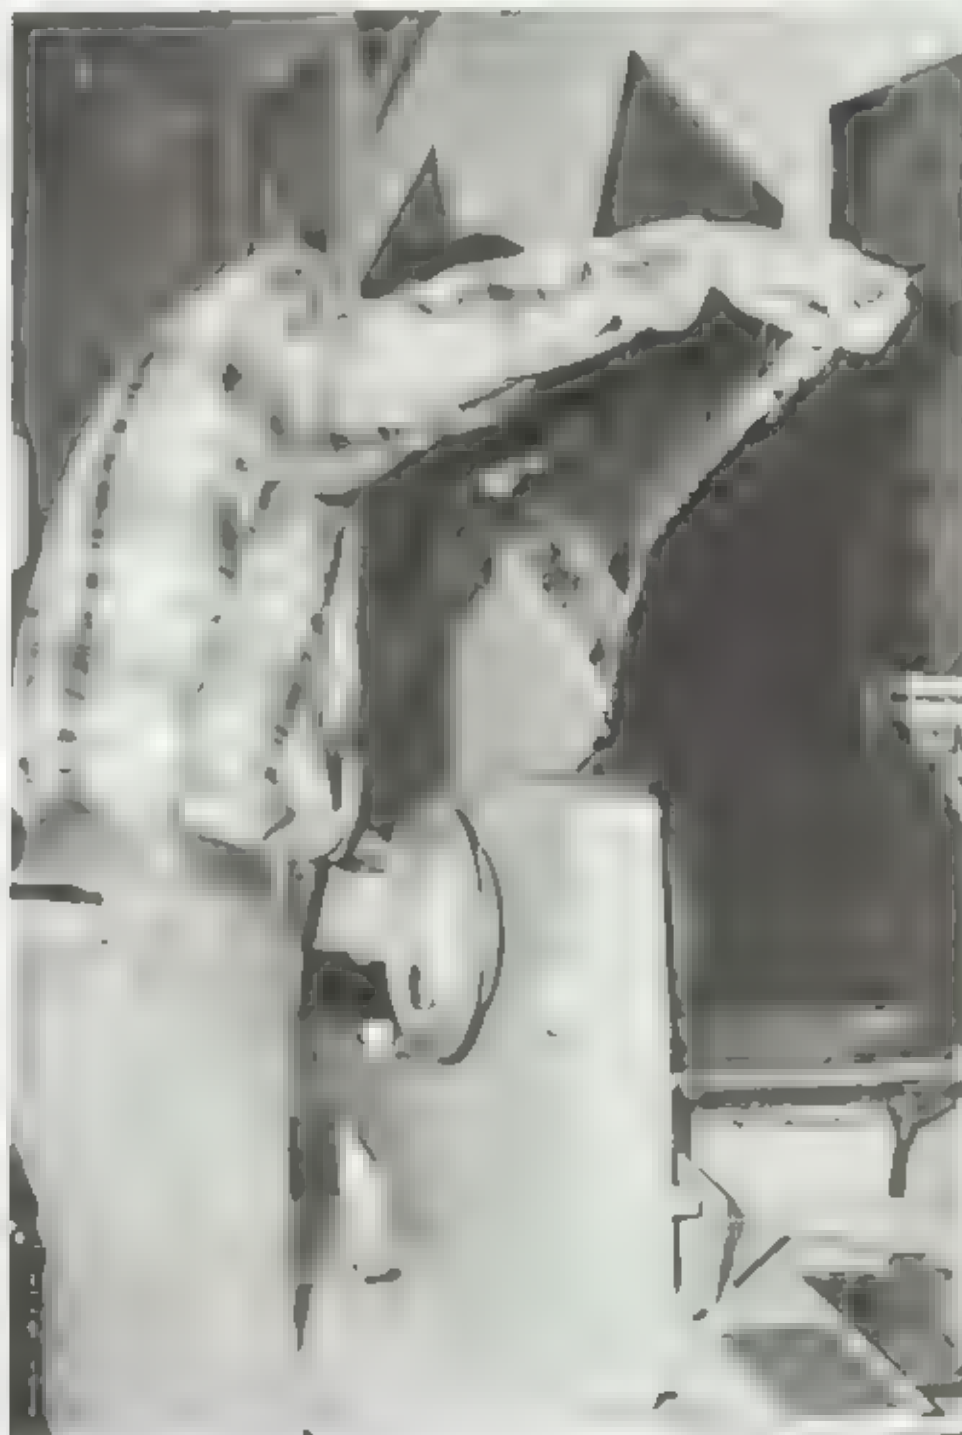

The class members gather the stories, proof read them and then type them on a stencil, which is run off to produce the paper.

The students send the papers out to 250 residents of Leoti, and they pass them out to the students in school.

In addition to these activities, the students practice the various journalist writings, make ads, and take and develop pictures.

b. Typing up the paper is hard work

c. Bruce Droste removes a stencil from the mimeograph machine

Manipulative Arts

Shop Classes Develop Skills

Students involved in vocational agriculture and industrial arts classes use basic knowledge and principles to build their projects.

Vocational agriculture consists mostly of mechanical and functional projects pertaining mainly to farm use. Basic theory and principle are involved, too.

Industrial arts covers a somewhat functional and decorative area. Projects are directed more to use in the home. Basic principle and theory along with mechanical drawing are covered also. Both areas require that the student acquire skills in the use of tools.

Physical Skills

Physical Skills Challenge the Muscles and the Mind

Students at Wichita County High School in the health and physical education classes have been learning new sports and how their bodies work.

Mr. John Flores and Mr. Mark Chipman have taught the physical education students how to hit a volleyball over the net, how to chase tennis balls, when not to strike out in baseball, and also many other useful techniques.

Health classes, also under the instruction of these terrific teachers, have studied the human body and resuscitated a dummy while learning first aid.

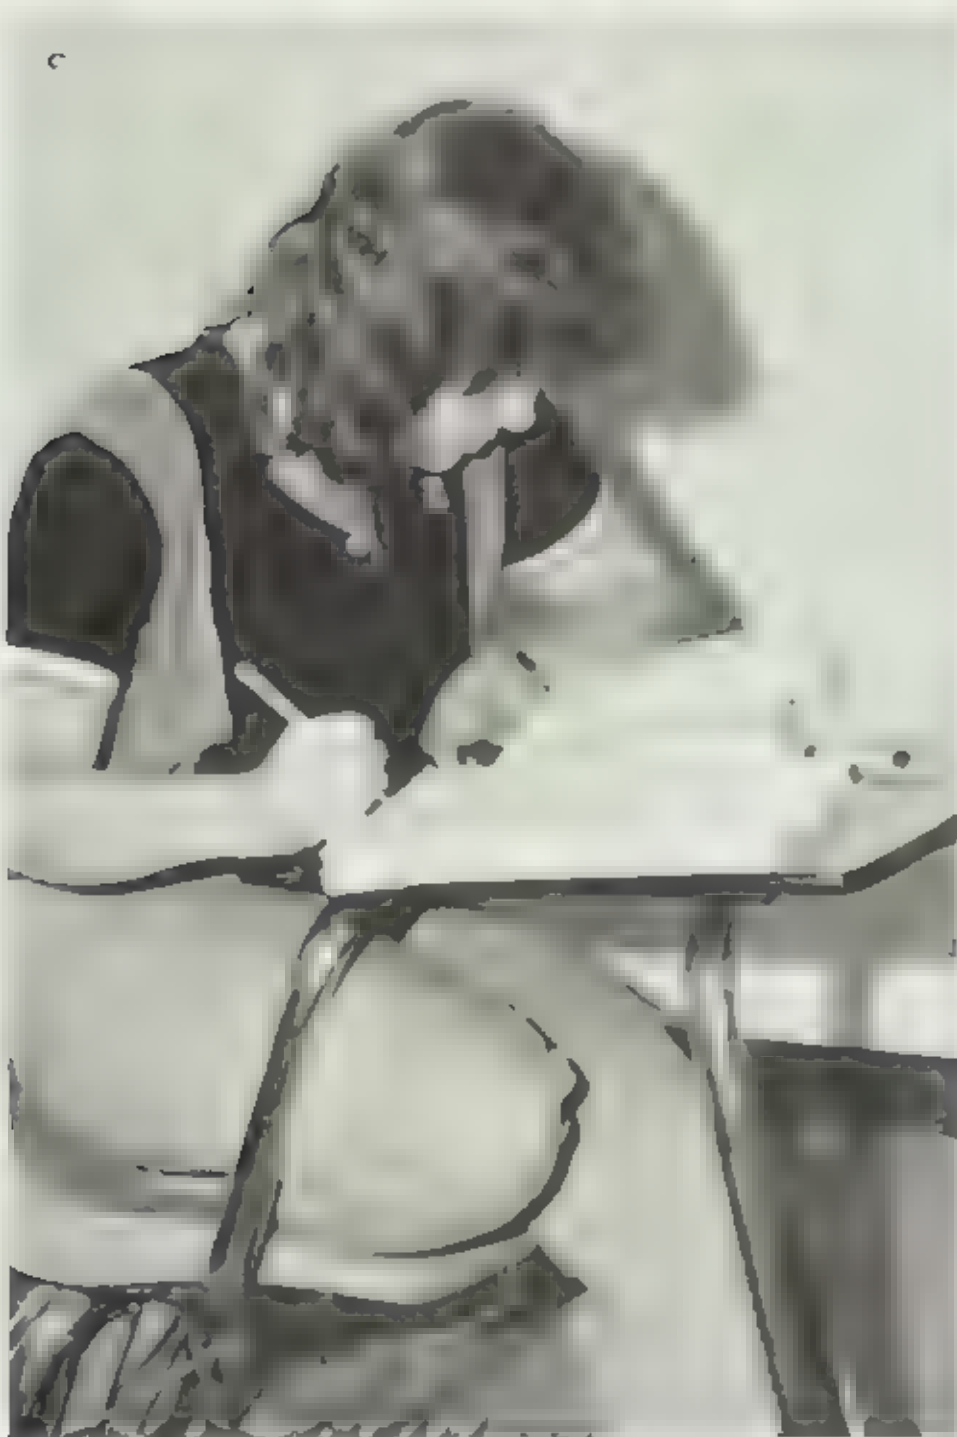

Courses such as these and driver's education are required and also fun.

a

c

Language Arts

Communication Is Facilitated

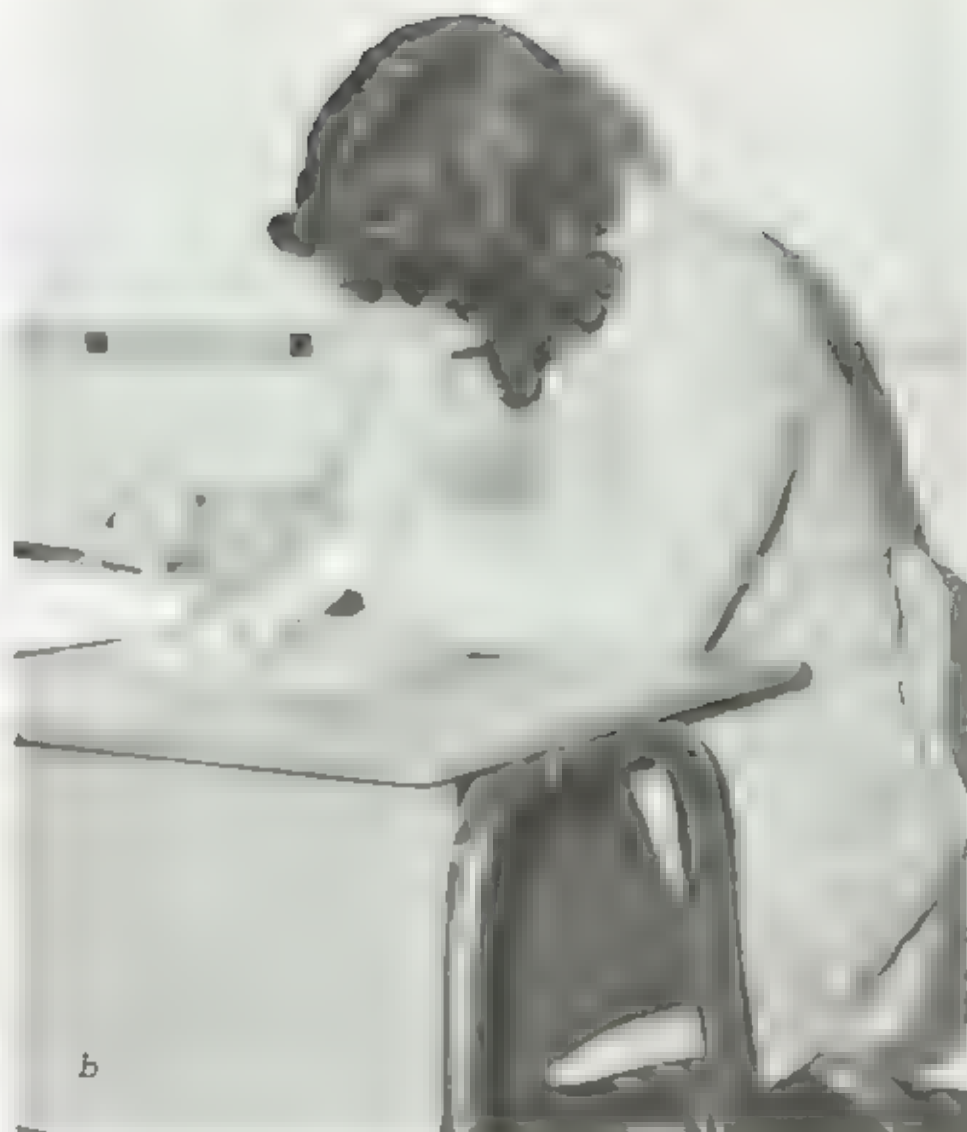

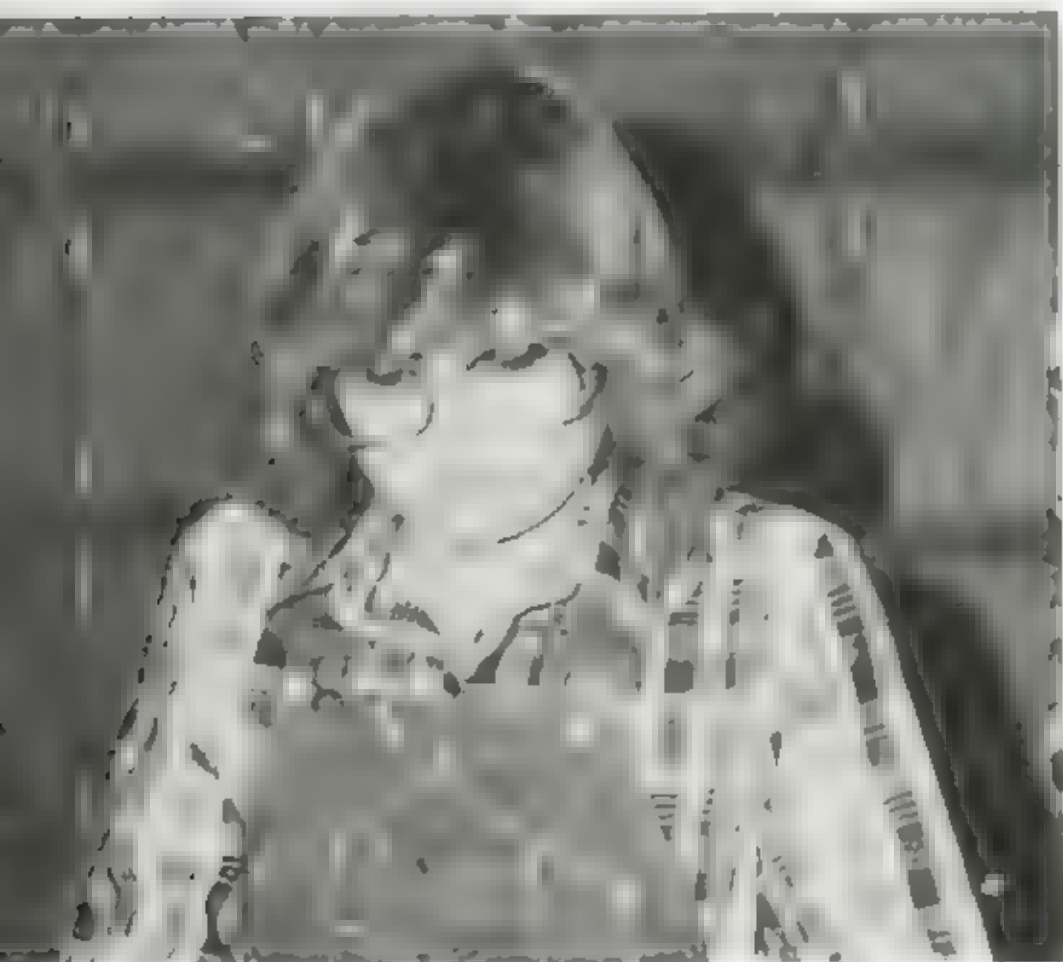

Students involved in language arts may take a wide variety of courses including foreign languages, literature, grammar, journalism, speech, drama, writing and studies of the different media.

The purpose of these courses is to help and encourage students to communicate with the world around them. It is an obviously important aspect of education considering the credits required for graduation.

Language arts courses give students practice in experiencing things they would not normally experience, through the eyes of authors around the world.

- c. Todd Schumacher is amazed at his typing ability

Commerce

Business Practices Gain Importance

Commerce classes of Wichita County High School teach typing, shorthand, and financial organization to interested students.

Typing puts a symbol of importance and neatness into correspondence or school assignments. Typing also helps develop coordination in finger movement.

Shorthand classes give students an insight into secretarial practices. However, knowledge learned is not limited to office use.

Organization of financial matters is covered by taxes, family finance, and bookkeeping; students learn wise money management and tax computation.

- a. "It sure takes a long time to beat these eggs," says Red Barker.
- b. Renee Weilert checks her seams to be sure they're right

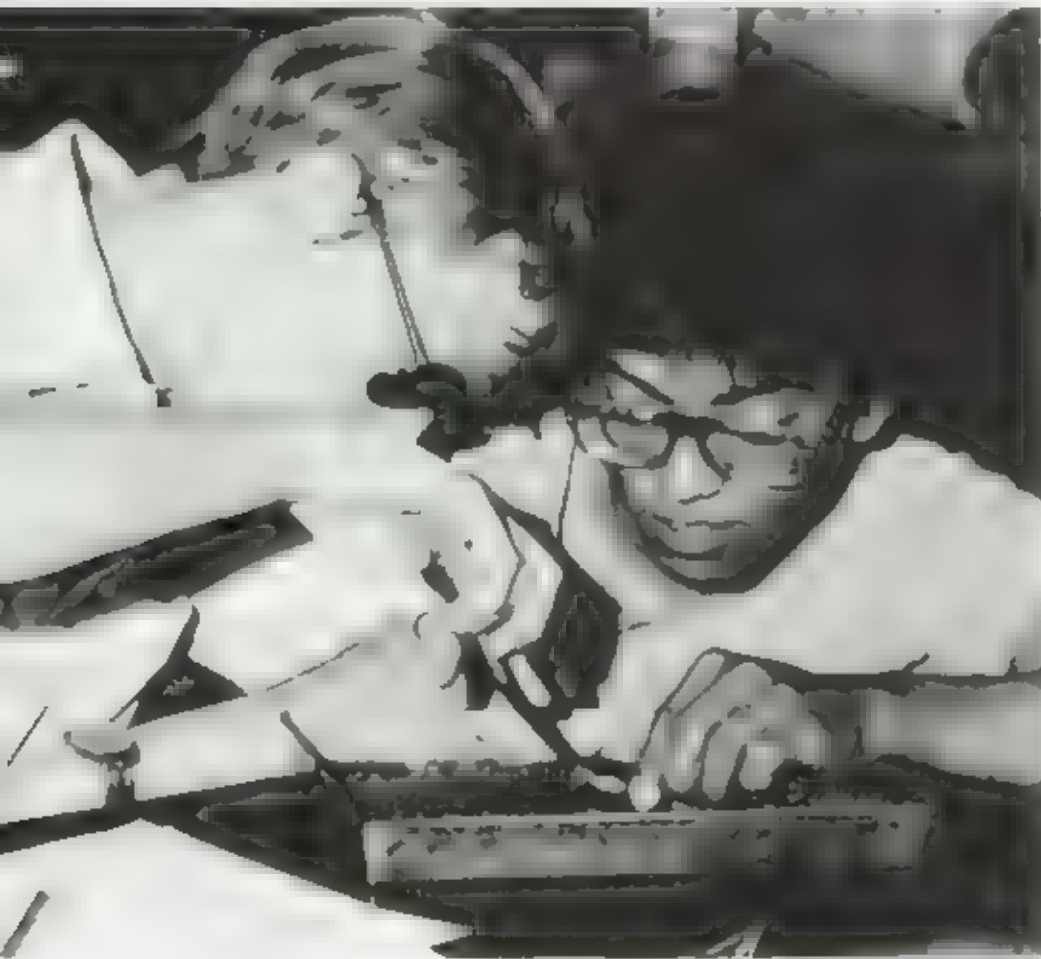

Home Economics

Learning Domestic Arts Creates Homemakers

Miss Peggy Jensen leads her students through a maze of cooking and sewing, and the basics of nutrition. Single living students are taught how to cook and sew for themselves when they are out on their own. Home Economics classes I and II learn how to cook delicious dishes and sew classy clothes. Family living is also taught by Miss Jensen and gives students a glimpse of what life will be like during their dating years and after marriage. Taken all together, these classes can be instructive and fun.

- c. Chip Thompson and Randy Wewer mix a masterpiece while Shad Mehl supervises from behind.

- a. Mark Farr and Gilbert Hernandez mutilate a crayfish.
- b. Major Graff and Lalo Huerta try to create a vacuum so that the bell will not be heard.

Science

The Exploration into the Unknown

Under the direction of Mr. Jim Dye and Mr. Ward Cox, students learn the importance of man's life and the environment in which he lives.

Mr. Jim Dye's Biology I classes study the basic's of science including dissecting worm, frogs, and crayfish. The high point of this experience is when Mr. Dye "slurps" the worm.

Chemistry concentrates on the elements and their interactions. Students conduct numerous experiments.

Physics students, under the direction of Mr. Ward Cox, study the interaction of matter and energy.

- c. "Now, concentrate really hard." (Katie Barnes and Pat Mays)

- a. *Katie Barnes presides as judge in the mock trials.*
- b. *Francis Lohmeyer, Denice Pinkerton, and Matilda Buendia look for a location on the map*

Social Science

Social Science Gives Insight.

Learning about history and government is the main object of the students in world history, American history, and Constitution classes. These courses, of which American history and Constitution are required, are taught by Mr. Steve Aschenbrenner.

The highlight of the year is the mock trials held by the Constitution classes. In these the students act out court cases and decide who is innocent and who is guilty.

This event, along with the daily classes and weekly jeopardy games, keeps students informed of current events and adds a wellrounded background in the events of the past and present.

- c. *Scott Mastel is sworn in by Joe Guerra.*

- a. Ambitious students — Gerald Baker, Wayne Simmons, and Carol Zink — work together to solve a problem
- b. Ted Berning calculates the answers to a difficult assignment.

Mathematics

Students Make the Computations of the Future

The math department "stuffs" students' heads with knowledge which will be forever useful. The teachers, Mr. Ward Cox and Mr. Mark Chipman, use all possible techniques to instruct their students in one of the school's most important classes.

General math, Algebra I, geometry, Algebra II, and senior math are all available to students participating in the school curriculum.

In addition some instruction is given by Mr. Michael Aytes in the use of a computer.

Media Center

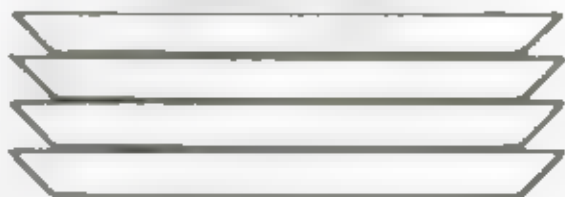

Media Center Serves Students and Faculty

The media center serves as a resource center for the faculty and students. Students may find various types of sources in the library besides books and periodicals. Pamphlets, microfilm, filmstrips, records, tapes, transparencies, and other non-book media are available.

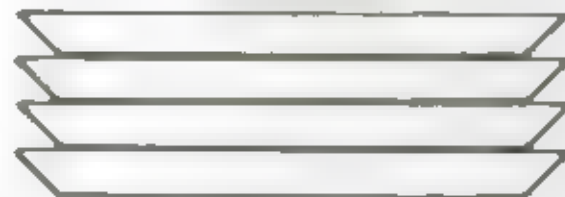

A periodicals storage room, office workroom, student conference room, and audio-visual room are open to student use.

The library is accessible to anyone who wishes to use it. It is open from 8:00 a.m. to 5:00 p.m. on regular school days.

Seniors

Leadership Dominates Year

The 1981 Seniors at Wichita County High School were responsible for the success of the school year through their leadership in both curricular and extracurricular activities.

The Seniors showed their spirit, as a class, as they competed in "Spirit Week" sponsored by the pep club.

Senior lettermen such as Steve Vent-sam, Steve Rapier, Greg Zink, Jay Haver-field, Alex DeLeon, Kent Kreutzer, Craig Myers, Bobby DeLeon, Shad Mehl, Brian Hayes, and Lalo Huerta led football, cross country, wrestling, basketball and track teams to winning and rewarding seasons.

In the areas of music and drama, Drucie Orcutt, Katie Barnes, and Judy Miller were outstanding.

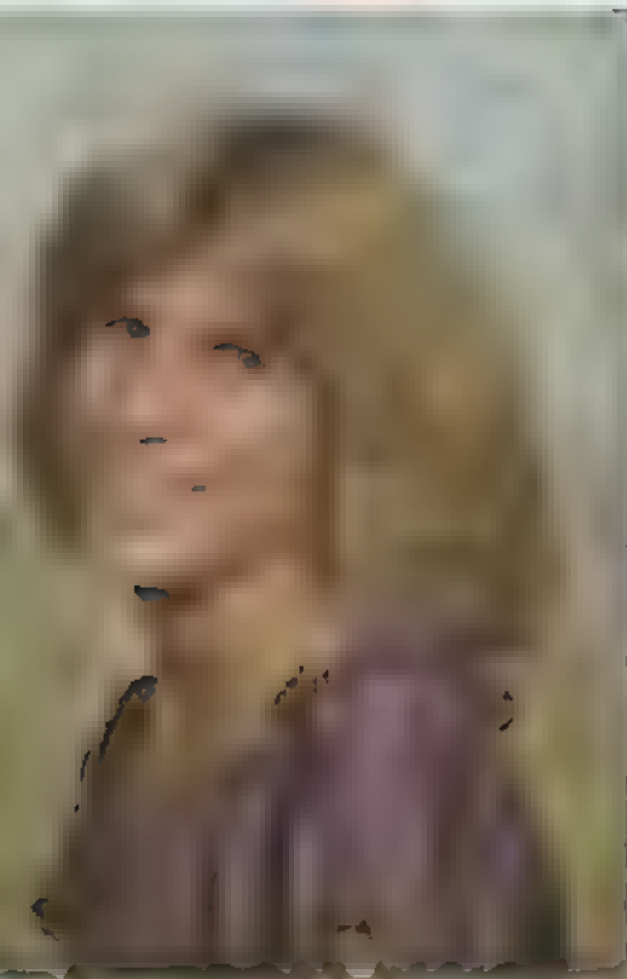

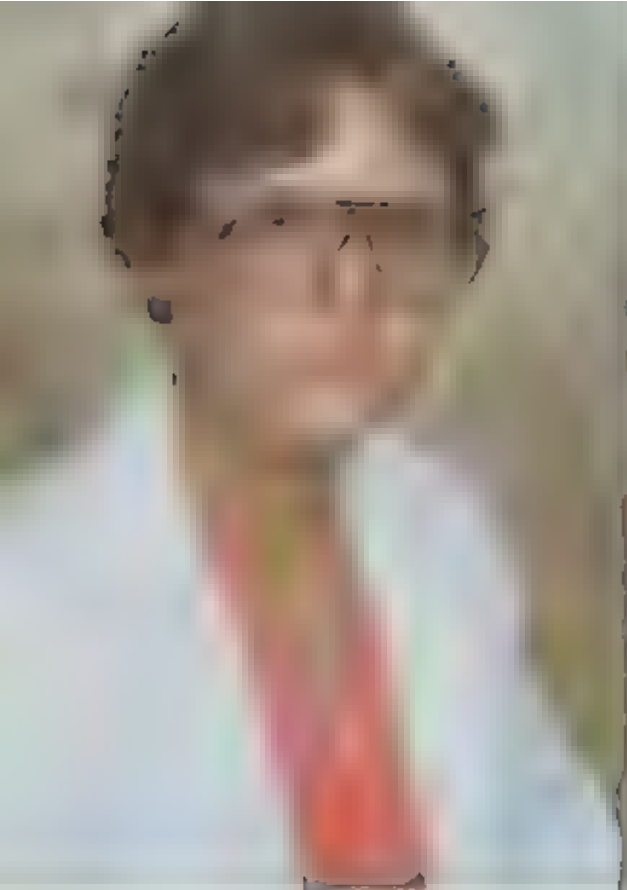

In anticipation of graduation, Seniors chose iridescent purple robes. A class of fifty-seven members chose as their motto "A journey of a thousand miles begins with a single step."

1980 Autumn Sports Crowning

Pretty Girls and Athletes Featured at Crowning

As the band began to play, the suspense mounted as the 1980 Autumn Sports Crowning got under way. Spectators turned their gaze to the football field where six seniors waited expectantly while Chip Thompson, student council president, read the names of the royal couple. Then the moment of suspense ended as Steve Rapier and Tawna Oberhiem were crowned King and Queen.

Warrior King And Queen 1981

*Appearance Is The
Determining Factor!*

Shad Mehl, son of Mr. and Mrs. Lanny Mehl, and Rebecca Biel, daughter of Mr. and Mrs. Eugene Biel, are the 1981 WARRIOR King and Queen.

Over the years, members of the WARRIOR staff have felt that a senior boy and a senior girl should be chosen simply on the basis of their physical appearance for this honor. The two students chosen may not have been a king or queen of the Autumn Sports or Winter Sports Crowning nor may they have been king or queen of the Holly Ball. This honor does not in any way reflect the individual's character, academic achievements, or extra-curricular contributions.

Since the senior pictures have been reproduced in color, the time factor involved makes it necessary to have a panel of teachers choose the royalty. In the past, the governor has chosen the royalty.

There is no special honor that goes with being WARRIOR King and Queen. The two students chosen will be known as the WARRIOR King and Queen for 1981.

The WARRIOR staff and their sponsor, Mr. Norman J. Homan, congratulate Shad Mehl and Rebecca Biel upon having been chosen King and Queen.

Basketball and wrestling personnel crowned Jay Haverfield and Bev Riddiough the King and Queen of the 180 Winter Sports Crowning at the intermission between the varsity basketball games with the Syracuse Bulldogs on January 16.

Following the basketball games, the royalty and their subjects moved to the Leoti Community Building where they danced to music furnished by "White Mound Sound." The theme of the crowning was "Celebration."

"Juniors Seek Senior Level"

Juniors cheered as the last day for the Seniors arrived. They had impatiently been waiting to take their role as seniors.

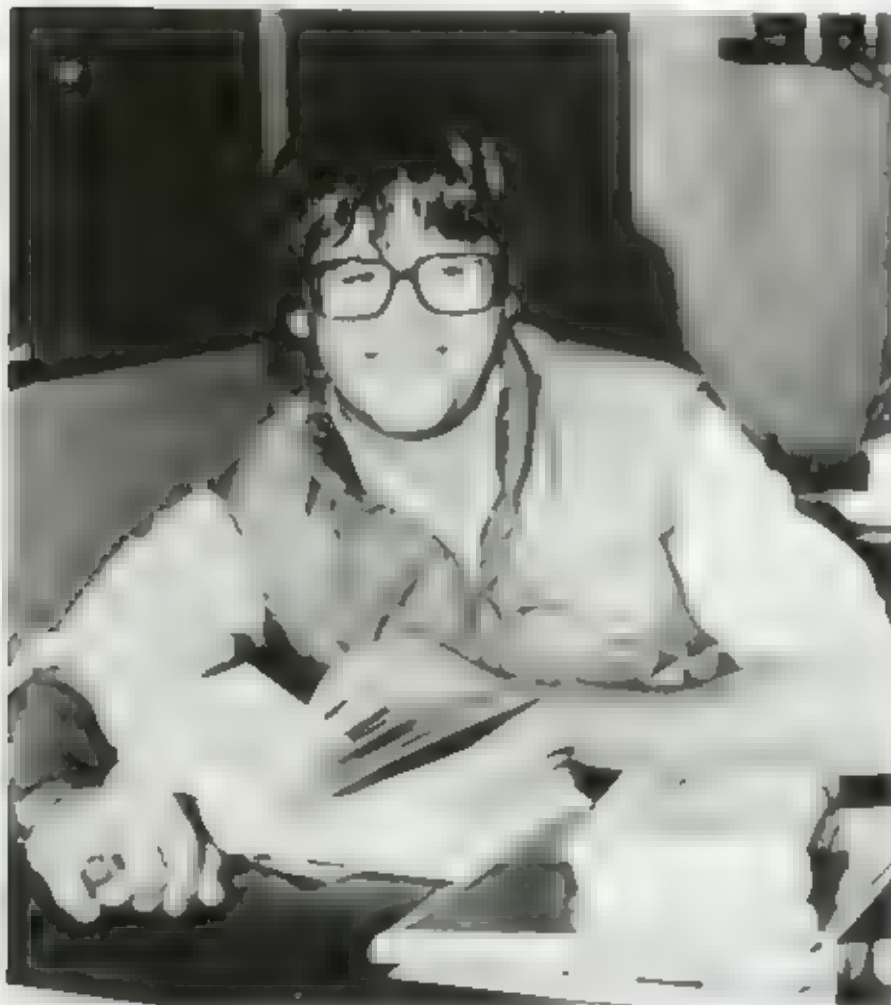

At the beginning of the year the Juniors received their class rings. The class rings had aquamarine stones. The Juniors practiced for their superior role as Seniors by cracking Freshmen on the head with the rings.

The highpoint for the Juniors was their Junior-Senior Prom and Banquet. This years theme was "Love the World Away".

Sophomores

Sophomores Seek Recognition

Sophomores, led by President Shane Bangarter, stepped up from their roles as last year's freshmen to try and make a place for themselves among the proud upper classmen at WCHS.

During the year, several of the sophomores excelled in sports and music.

Now, seeking the forbidden privileges of the seniors, the sophomores did more than their share of picking on the freshmen this year.

In social activities, the sophomores provided the servers for the Junior-Senior Banquet.

Sophomores also ordered their class rings near the end of the school year.

Freshmen

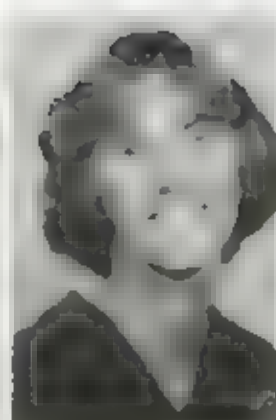

Freshmen Survive and Are Accepted

The freshmen, led by their class president, Doug Stegman, took their place at the beginning of the year as the newest edition of the student crop at Wichita County High School.

The freshmen were greeted by the upper classmen with a certain devious delight. The juniors had to try out their new class rings on freshmen domes. The seniors shows their lack of musical appreciation by singing their version of the "Mickey Mouse" song on every occasion. Once and a while, the seniors trapped an unwary freshman in the rest room and pennies were pushed by a nose held close to the floor. Of course, the sophomores had to act tough around their previous year's counterpart.

In spite of their position as the most inexperienced group at WCHS, the freshmen showed the upperclassmen that they were willing to work for their place in the student body. They participated in sports, speech, band and music with enthusiasm.

Pressures Plague Staff Members

As the six members of the **WARRIOR** staff looked for new ideas to employ in their 1981 publication, they realized that yearbook wasn't all fun and play.

Missing pictures, fitting pictures into allotted spaces, and re-arranging layouts two or three times were some of the few problems, the **WARRIOR** staff had to face and deal with.

Staff members also felt the pressure of production deadlines when pages of copy and pictures had to be sent off to publishers.

A feeling of accomplishment and satisfaction was felt by all staff members after the book was completed and ready to be published.

Cheerleaders

Cheerleaders Voice Spirit

The cheerleaders at Wichita County High School add their vocal support to the efforts of the athletes on field, on the court, on the mat, and on the track.

They led the way for the Pep Club and the student body in demonstrating school spirit.

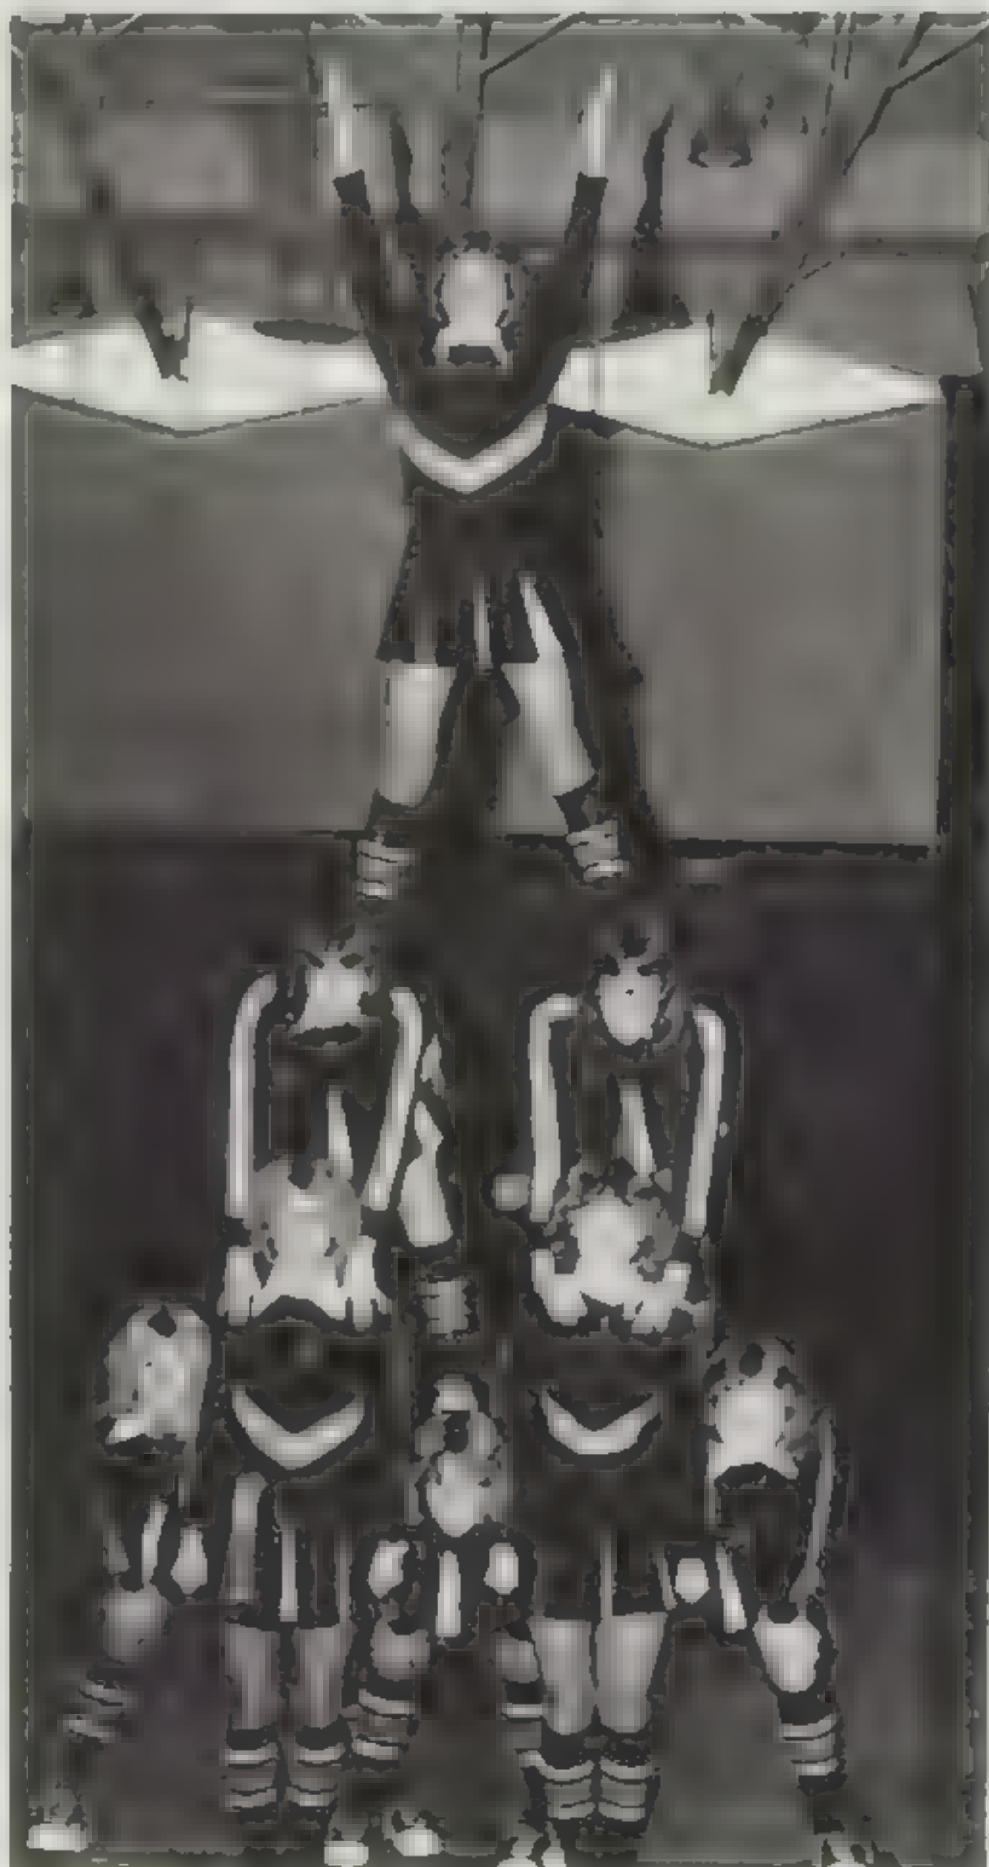

The cheerleaders must train as hard as any athlete. They must raise money to attend cheerleading camp during the summer.

During the year, cheerleaders provide cakes for senior football players, wrestlers, basketball players, cross-country runners, and coaches.

All in all, cheerleading requires much skill, spirit, and work of the girls who participate in this activity.

Pep Club

Small But Mighty Fits

The Pep Club at WCHS only consists of sixteen girls, but they make up for their lack of numbers in spirit.

The Pep Club, composed of members and cheerleaders, made posters to decorate the halls before each game. During the games, they showed their spirit by setting an example for the other students through their team support.

Early in the second semester, the Pep Club sponsored a spirit week complete with many activities.

Another function of the members is to welcome the team players through a "teepee" before each game.

Chess Club

Club Featuring Recreation Formed

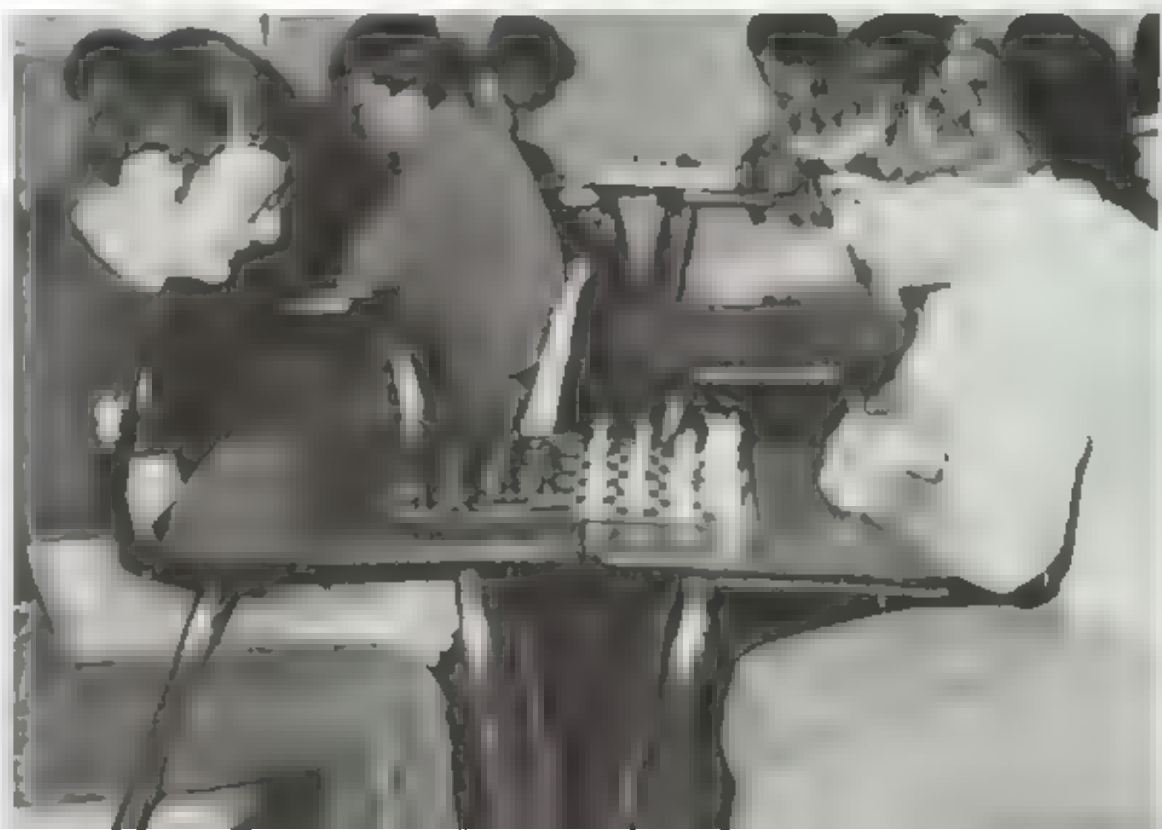

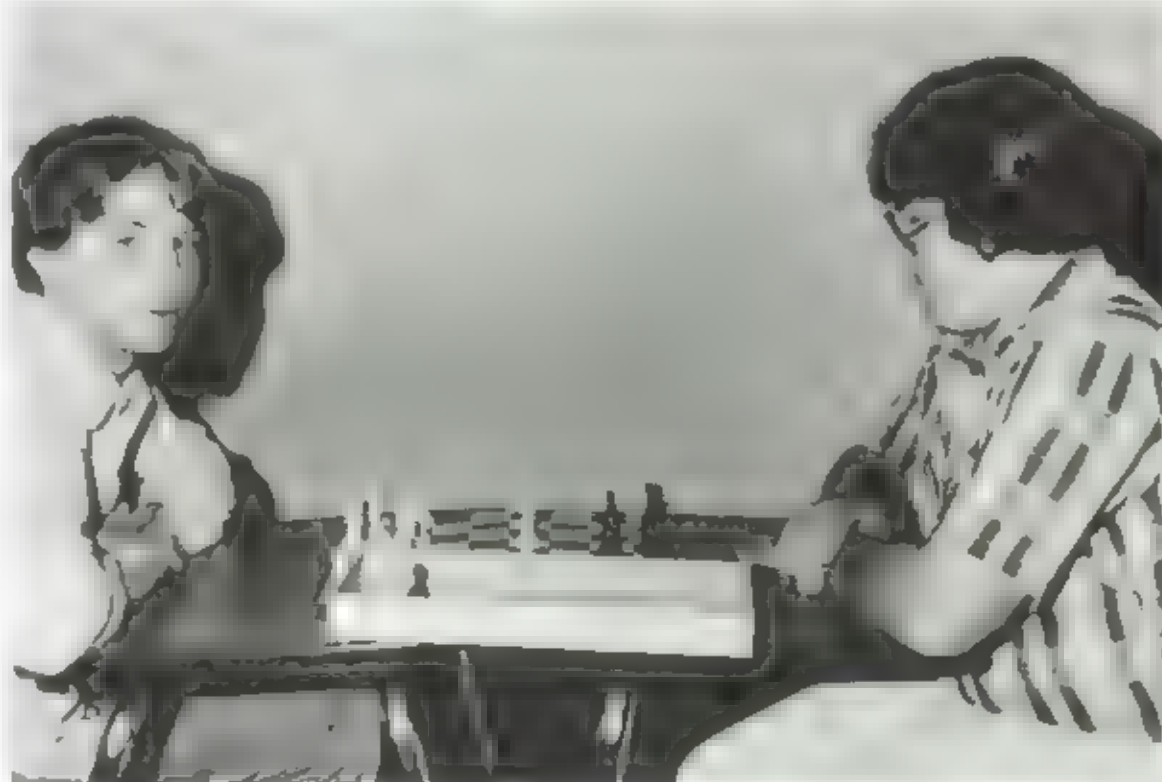

A new club, a chess club, came to the Wichita County High School campus under the sponsorship of Mr. J. Micheal Aytes, principal.

Members meet, primarily, during the zero hour to play chess. To date members have held a ranking tournament won by Wayne Simons, a challenge board competition won by Wayne Simons, and a Spring Chess Tournament.

Members pay a small fee used to pay for chess boards.

W-CLUB

W-Club Shares Responsibility

The W-Club at Wichita County High School shared responsibility for the 1981 All-School Awards Banquet as they furnished a speaker — Mr. Keith Akins — and Steve Rapier, club president, delivered the invocation.

The club is composed of those athletes who have won a letter in one of the many sports at WCHS. Girls are eligible to be members if they have lettered in a sport.

The club usually plans a trip. This year they were unable to schedule a trip on a convenient date.

Pom Pon Team

Spirit is the word

The 1980-81 Pom Pon Team, under the direction of Mr. Duane Houghtaling, performed at most home football and basketball games this year. They expressed the spirit of the school in their performances.

Bev Riddiough and Sandy Hernandez, designated as Co-Captains, led the twelve member team in performances at the Scott City Invitational Tournament, the KSHSAA Regional Wrestling tourney, and the KSHSAA Sub-State Basketball Tourney.

Long hours of practice after school and in the morning during band time were required to give the team members the sense of timing and rhythm needed for excellence.

Activities Spur Interest

The most active organization on campus is the **KAYETTE Club**. Their work spurs the interest of the club.

The **KAYETTES** have held a membership picnic, helped with Bean Day, sponsored fund raising drives, held a Holly Ball and a Twirp Week, and showed their appreciation for teachers.

As a club, the members earned the coveted 3000 point award. Work was its own reward.

Quiz Bowl

Something New Added

A new dimension of academics was added to the WCHS scene when four Wichita County High School students participated in a "Quiz Bowl" at Hugoton.

The Indian contestants finished third in a field of eight schools entering contestants. The schools represented included Syracuse, Holcomb, Mead, Guymon, Tyrone, (2) Hugoton, and WCHS.

The tournament was double elimination, and although the WCHS entrants lost the first round in a very close match to Guymon, they won the next four rounds. In the semi-final round, the Indians again faced the Guymon entries and lost to place third overall. Guymon was defeated in the finals by Syracuse and placed second.

FFA Future Farmers Celebrate 25th

The highlight of the year for the Leoti Chapter of the FFA was the celebration of the Chapter's 25th anniversary. On Tuesday, October 21, a banquet was held in honor of the event.

Governor John Carlin was the keynote speaker. He spoke of the importance of agriculture in America. Mr. W.H. Townsend, counselor at WCHS, addressed the audience with a speech entitled "What FFA can mean to a high school student."

Other events of importance during the year included placing third in the western division of the state with the Wichita County Collective Fair Both; and electing the 1981 FFA Sweetheart in April. Brenda Geyer, the 1981 Sweetheart, was later chosen District FFA Sweetheart.

Two members, Mark Miller and Don Smith, placed first in the Golden Harvest FFA grain sorghum and third in the corn growing contest, respectively.

In May club members elected officers for the 1981-82 school year. They are as follows: David Bergh — pres.; Dean Ford — v.pres.; Mark Miller — sec.; Tim Ridder — sentinel; Wayne Simons — reporter; and Tom Ridder treas.

Instrumental Music

The Motto Is "On with the New"

A new instrumental music teacher, Mr. Tim Brandt, brought fresh ideas to the music department in his first year at WCHS.

His marching band prepared half time shows for the football games, his pep band sparked spirit for the basketball team and wrestling squad, and his concert band received a I rating in sight reading and a II rating in performance as the KSHSAA State Music Festival.

The band also performed well in the Hi-Plains League Music Festival, presented a Christmas and a Spring Concert, provided music for commencement, had two members chosen for KMEA Honor Band, and one member chosen for the Lions State and International Bands.

Musical

"The Corn Is As High As An Elephant's Eye"

The music department, under the direction of Mr. Duane Houghtaling, chose OKLAHOMA for this year's musical presentation. OKLAHOMA was performed on November 21 and 22, with a matinee on the afternoon of the 20th.

Backing up the leads was an excellent 67 member chorus.

Also involved in the production was the stage crew and the light crew under the direction of Mr. Tom Peintner.

Vocal Music

New Teacher Means New Look

A new teacher, a great new singing group called *Swing Choir*, and an exciting new approach insured a very successful year for the vocal music program at WCHS.

Mr. Duane Houghtaling, the new vocal music teacher, formed a group of singers who presented programs throughout the community.

The choir traveled to Elkhart for League Contest and received a rating of a I. They also traveled to Dodge City for the Kansas State High School Activities Association State Music Festival and received a rating of a III.

The choir performed a Spring Concert, May 1, in the WCHS Auditorium.

An ensemble sang for the Baccalaureate and the entire choir sang for Commencement Exercises.

Forensics And Debate

Growing and Regrouping Is Necessary

The 1980-81 Debate and Forensic season recorded many accomplishments. Although the year was one of growing and regrouping, the respective squads were successful.

The debate squad, composed of only two experienced debaters and six novices, brought home a winning record on the year and trophies and medals from the eight tournaments that they attended. Overall the squad recorded 71 wins and 34 losses. The squad also finished third at the regional tournament.

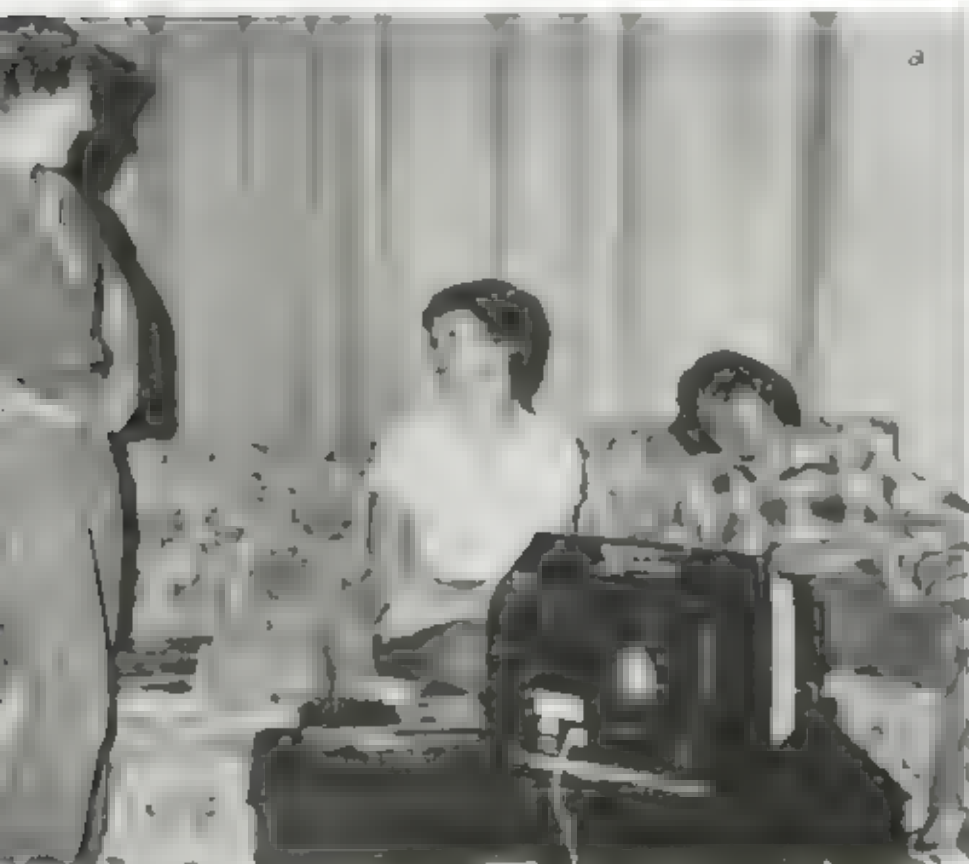

The debate squad also hosted the fifth WCHS Debate Tournament on October 18, with 34 teams from 15 schools represented.

In forensics, a squad of 39 students represented WCHS. The Indians sent 13 entries to state out of a possible 17 entries.

The one act play won honors at the Hi-Plains League Festival and brought home a I rating at state.

The forensic squad won sweepstakes recognition at Garden City High School and at the League Festival at Lakin High School.

Variety Show

"Unreal People" presents Varied Fare.

The drama department at Wichita County High School presented a variety show on Saturday, April 11, that involved nearly 80 students.

The show, patterned after Real People, included numerous acts. Among the more colorful groups to perform were the Hungarian Acrobats, the Unknown Comic, Pigs in Space, the Diamonds — that great group from the 50's, Soldiers from Fort Chicken, Sesame Street Puppets, musical numbers, special guest appearances, Story Lady, and many more. The cast of characters was too long to list.

The show was under the direction of Mr. Tom Peintner, forensics and drama coach at WCHS.

BOYS AND GIRLS STATE

Four Juniors Attend State

Four Juniors were chosen by the WCHS faculty to attend Boys & Girls State. The two boys honored to attend Kansas Boys State the week of May 31-June 6 on the University of Kansas Campus at Lawrence are Rod Barker, son of Mr. and Mrs. Rex Barker, and Kenny Griem, son of Mr. and Mrs. Herman Griem.

Boys State is a "youth state" and federal program in government for Junior boys in high school sponsored by the American Legion auxiliary.

Two organizations in the community currently provide the funds for individuals attending Boys State. They are the First State Bank and the Leoti Rotary Club.

Two girls and an alternate were chosen to attend Kansas Girl's State at the University of Kansas. Stacey Harkness, daughter of Mr. and Mrs. Skip Harkness, and Carol Gardner, daughter of Mr. Merlin Gardner, were chosen as representatives to Girls State, and Mystel Jay, daughter of Mr. and Mrs. Max Jay, was named alternate.

The sponsorship for Girl's State is provided by the American Legion Auxiliary. The contributors are the Leoti Lions and the WCHS Student Council.

Football

Bright Season Turns Sour

Injuries turned what could have been an excellent football season into a so-so season as the Wichita County High School Indians won five games and lost four.

The Indians put together a three won zero lost record with victories over Tribune, Lakin and Sublette. Disaster struck in the fourth game of the season as Rod Barker, outstanding linebacker, had his ankle broken on the first play of the game. When it appeared that the Indians were back on the winning track again, Alex DeLeon, the Indian's leading rusher and a key defensive player injured an ankle.

The team, in spite of misfortune, managed to set several records. The team set a record of 25 fumble recoveries. Alex DeLeon had 106 assisted tackles for a new record. Trent St. John set a single season pass reception record as he piled up 482 yards. He also tied a single game record with six receptions and 129 yards in the Elkhart game.

Volleyball

First Time Ever

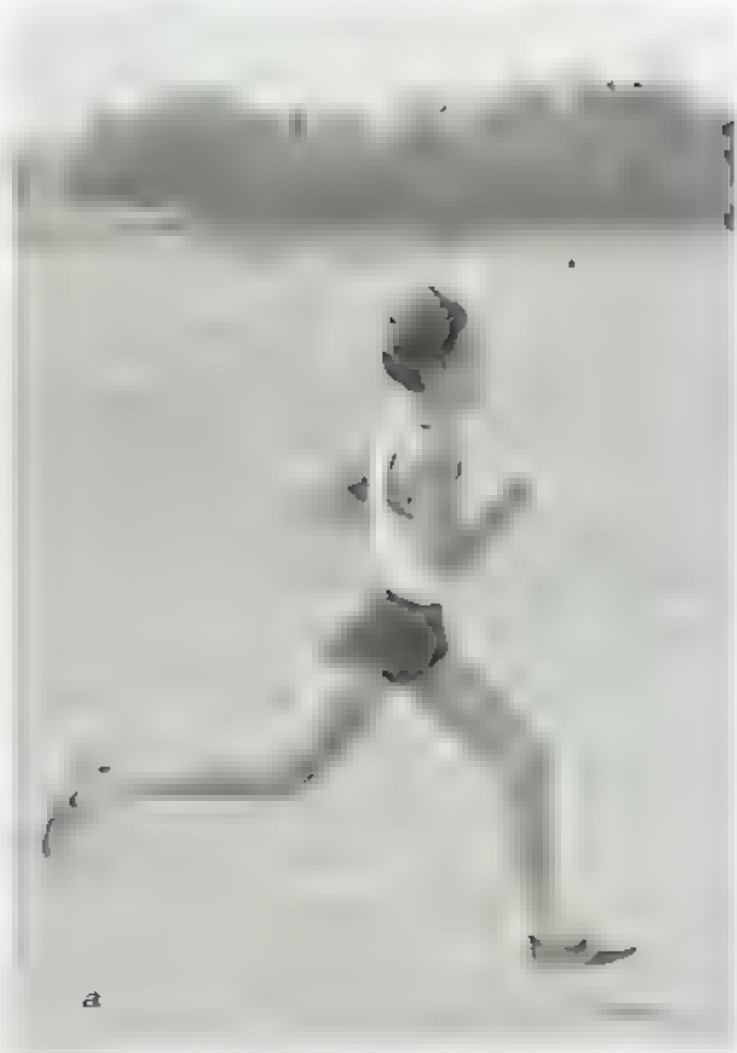

This year was the first time a volleyball team had competed for Wichita County High School. The volleyball team, coached by Mr. Carlos Guzman, did well for their first year. They were competing against teams that have been playing for some time.

The volleyball team ended the season with 2 wins and 8 losses. "I guess that's bad, looking at it record-wise," Coach Guzman said, "but when you consider it's our first year, it's not so bad."

The team was composed of one senior, three juniors, ten sophomores, and two freshman.

Cross-Country Team Excels

Cross-country is one of the most grueling sports. It takes a lot of endurance to stand a two mile run through some of the roughest terrain in Kansas.

This year's Wichita County High School cross-country team, coached by Mr. Mark Chipman, consisted of eleven boys and one girl who ran through some of the worst courses and placed well.

The cross-country team had a good year as they placed in every meet and finished fourth at State.

Boys And Girls Basketball

Indians Have Impressive Seasons

Both the Indian boys and girls varsity basketball teams had impressive seasons. The boys finished the season with a 19-2 record. They missed going to the state tournament by one basket as they lost to Southwestern Heights in a shootout 73-72. The Southwestern Heights coach described the game as "the best I've ever witnessed."

The Indian boys won the Hi-Plains League Conference trophy and placed third in the Hi-Plains League Tournament under the coaching of Mr. Carlos Guzman.

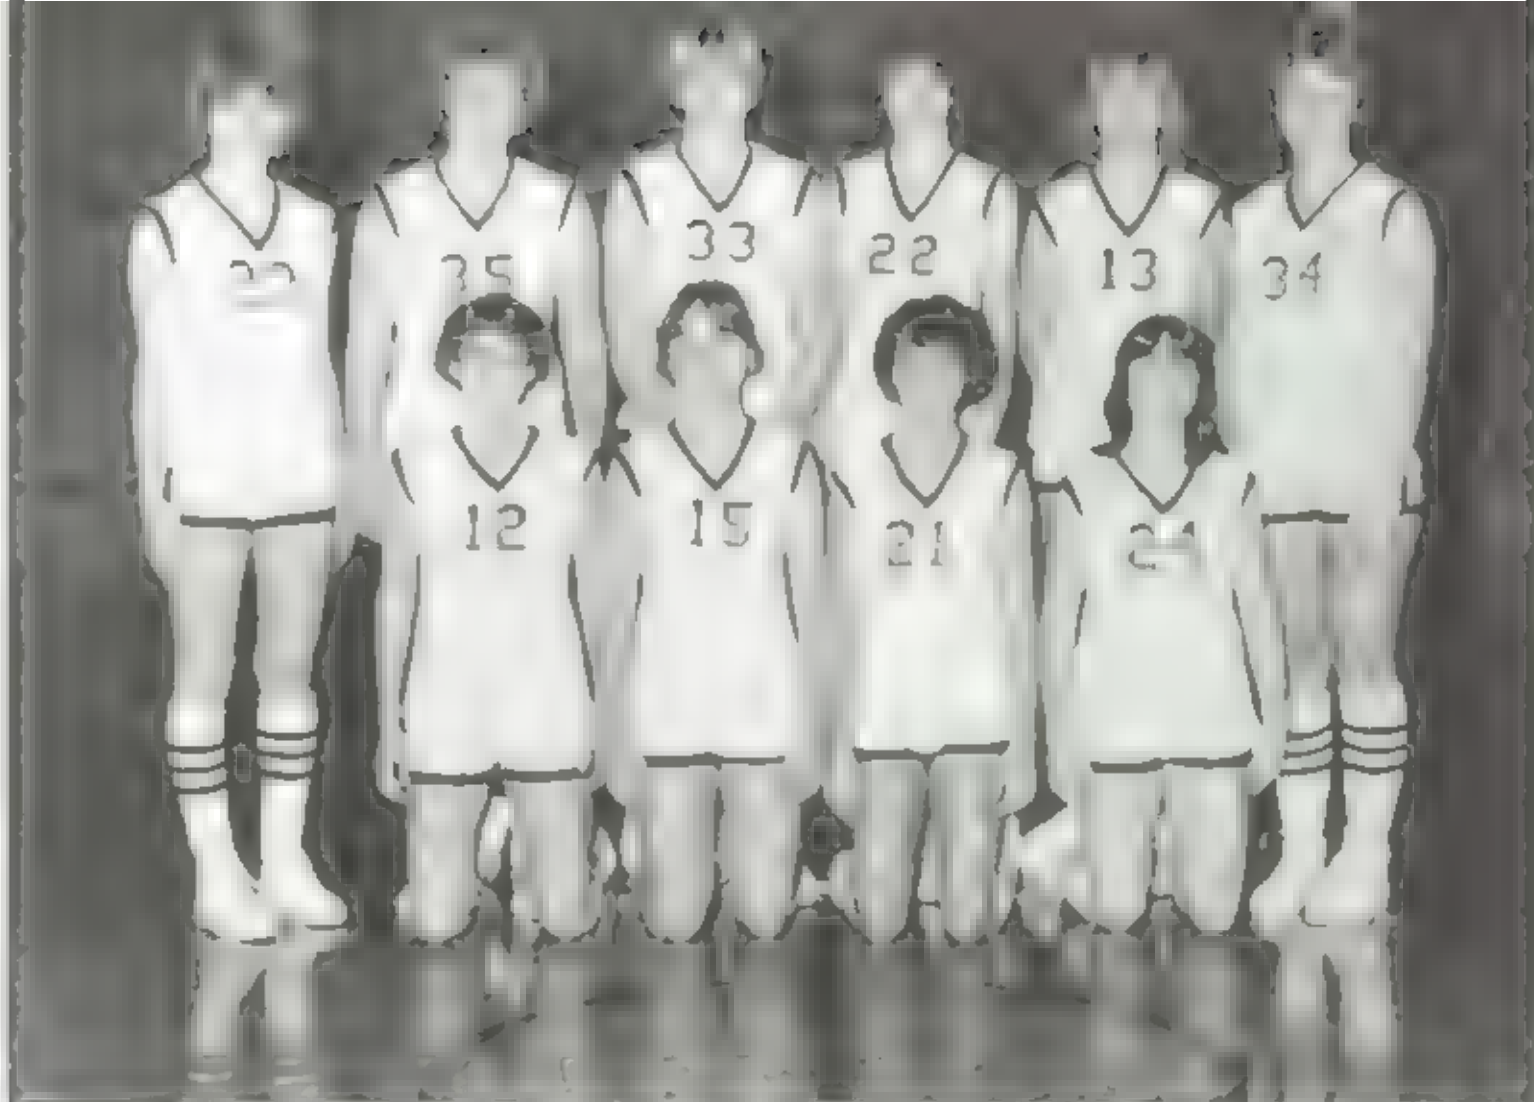

The Indian girls had their best session during the modern era of the team, compiling a 12-7 record overall. The girls varsity finished third in the Hi-Plains League Tourney and first in the Hi-Plains Conference.

Standouts for the Indian boys were Steve Rapier, named to the All-League Team and to the All-State Second Team; Craig Myers, named to the All-League Team; and Jay Haverfield, given honorable mention on the State Team.

For the girls team, Rhonda Schwindt was named to the Hi-Plains Conference All-League Team.

In junior varsity play, the boys under the direction of Mr. Steve Aschenbrenner, lost one game on the season.

Wrestling

The Best Season Ever

Twelve Wichita County High School Indian Wrestlers, coached by Mr. John Flores and Mr. John Johnston, finished the year with an excellent record. The Indians were undefeated in dual meets and took first at the Ulysses Tournament and the Garden City Tournament. They finished third at the St. Francis Tournament.

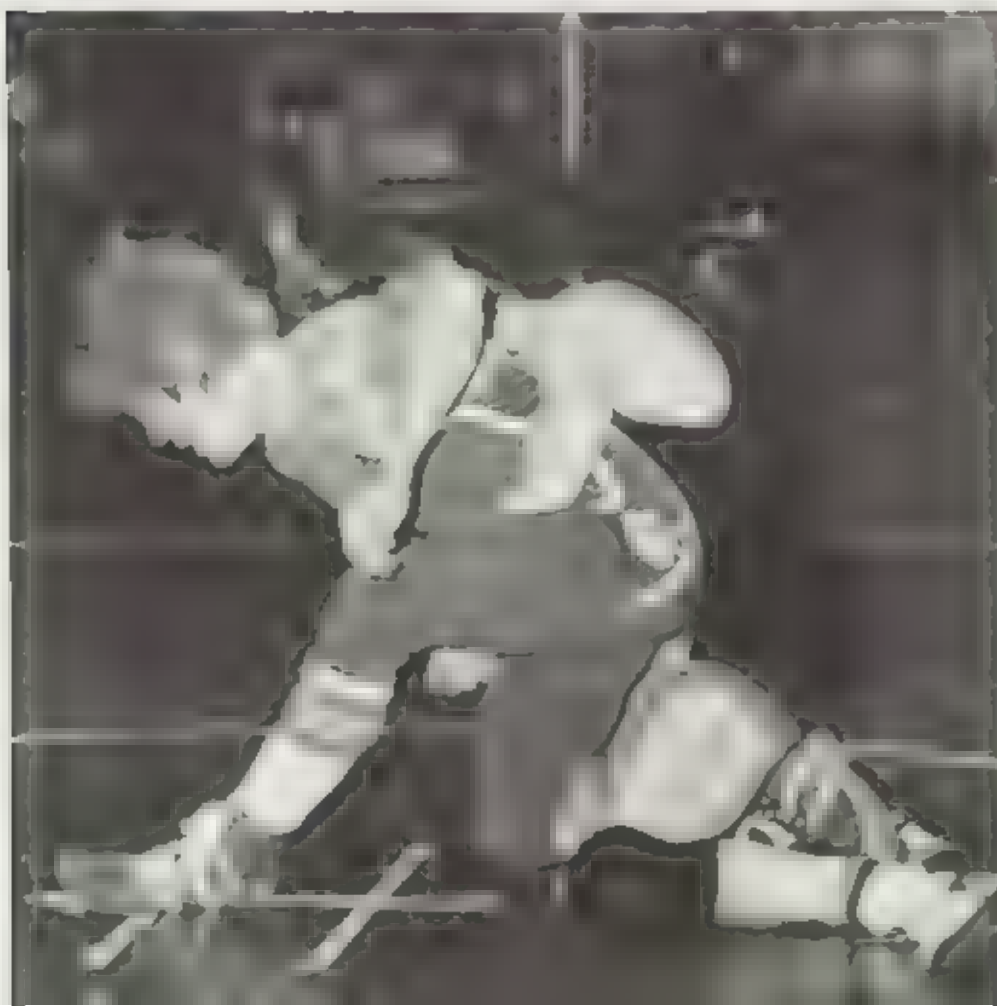

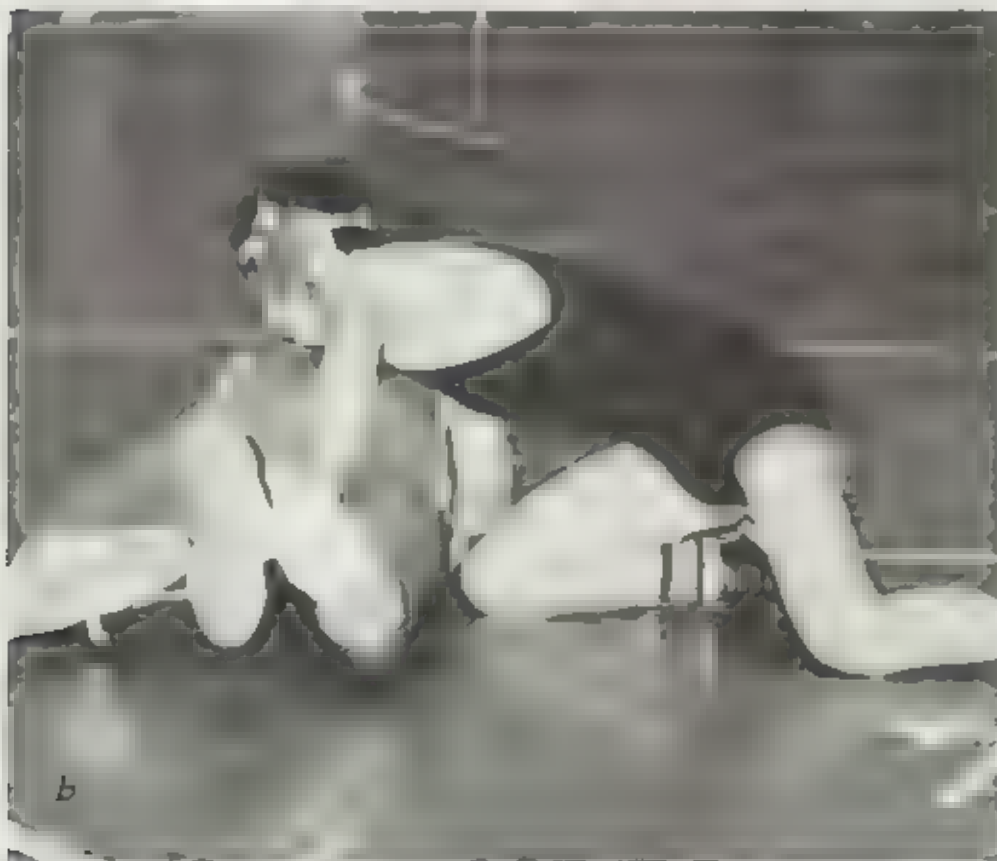

The Indians proved their wrestling ability by finishing first at the Kansas State High School Activities Association Regional Tourney at Leoti, first at the Sub-State Tourney at Oberlin, and third at the State Tourney at Hays.

Bobby DeLeon and Alex DeLeon placed first in state competition, making Bobby a three time state champion and one time runner-up. Alex was a two time state champion. Lalo Huerta finished third in state competition with Shad Mehl and Greg Zink right behind, finishing fourth.

Boys And Girls Track

Indians Function As Team

In spite of the fact that the Indians did not have a Steve Tasker or a Paul Homan, they did have a good season.

At the Indian Relays on April 2, the boys placed first and the girls placed fifth. At the Lakin Relays on April 7, the Indian boys placed second behind Holcomb. The girls were eleventh. Then at the Syracuse Relays on April 10, the Indian boys again placed second and the girls fifth. At the Cimarron Invitational on April 14, the boys placed third and the girls, eighth.

Shad Mehl placed first at the Cimarron meet in the 800 meter run with a time of 10:27/6, to set a new record.

The Indian boys continued to score in the upper five places, and capped their season by placing fourth at the KSHSAA Regional Meet at Hoxie. Steve Rapier, Trent St. John, and Shad Mehl qualified for the KSHSAA State Meet at Wichita.
